State Steer Validation Tags

State Steer validation will be held on June 28 at the Stafford Ranch beginning at 9:00am.

10 County Camp

10 County Camp will be held on June 25 at the Roaring Springs Community Center. Registration will begin at 10:30am with workshops beginning at 11:00am. The cost of the camp is \$20 per participant. This covers lunch, supper, Springs Ranch entry fee, and supplies for the workshops. Registration is due in the extension office by June 16. Payment can be made in advance or at the door. Registration forms are attached.

Recordbooks

It is once again that time of year to get your recordbook completed for district judging. Recordbook entries are due in the extension office by July 1. We will have a recordbook training on June 23 at 6:30pm in the courtroom. If you have not done a recordbook or need a refresher course, make plans to attend the training.

Livestock Skillathon Contest

Last year was the first year a Livestock Skillathon contest was held by any 4-H District in the State. District 3 implemented this contest which includes: livestock equipment identification, livestock breed identification, feedstuff identification, meat judging, wool judging, feed tag knowledge, and quality assurance (for seniors). This contest is an excellent opportunity for youth to increase their knowledge about the

livestock industry as a whole. The contest will be held in Seymour on July 8. If you are interested in participating, please contact the Motley County Extension Office.

Livestock Species Clinics

On May 24, the Motley 4-H Club held a Beef Project Clinic for area youth. We will continue to host these types of species clinics throughout the year for are youth interested in those projects. Sheep, goat and swine clinics will be scheduled for later this year when those projects begin. For more information, contact the extension.

Facebook Pages

As most of you are aware, the Motley 4-H Club currently has a facebook page. This page was developed to get information out to 4-H members, parents and volunteers as other forms of media have become unreliable. Go online and search for the Motley 4-H Club facebook page. Any Motley 4-H Club member, parent or adult leader is free to post on the facebook page.

The Motley County Extension Office has also created a facebook page to inform area residents about events and activities offered through the extension office.
